Good Turnout Social Credit Convention Held at Grande Prairie Friday Afternoon

All Old Officers Re-elected—Convention Unanimously Backs Monroe Pass Highway Project—A Federal Government Ass't to Building Of The Highway—Graveling Program Discussed At Some Length—Standardization Of Education In The Various Provinces Advocated And Embodied In A Resolution—Vote Of Confidence In Premier Aberhart And His Government And In W. Sharp, M.L.A., Unanimously Endorsed.

Between 50 and 60 attended the Grande Prairie Constituency Convention of the Social Credit Party. L. O. F. Hall, Grande Prairie, President, opened the meeting. President Cap. Roberts was in the chair and C. E. Cavett acted as secre-

etary. Consideration of many resolutions and debates with routine business took up the time of the two hours.

The financial statement showed that after all bills had been paid there was a balance in the bank of nearly six dollars.

All the old officers were re-elected. The letter of read from the officers at the confidence in the government and in the members of the executive.

Aberhart in answer to a resolution of confidence passed the previous afternoon.

A further vote of confidence in the Premier and his government and in Mr. Sharp, M.L.A., was carried.

Resolutions committee were busy with resolutions, the chair-

man said he thought it was a good time to pass a resolution of confi-

dence in the good of the organization.

D. St. Pierre of Wainman sug-

gested plans which he believed would help in various grants to put many other and better results in the added membership.

Mr. C. E. Cavett reported that the feeling toward the party, taking the constituency as a whole, is better to-
day than it was a year ago.

His opinion on the numerous letters he has received.

The resolution of Appleton said that

he would like to see some steps if-
ficially taken to help the Social Credit

Party. He referred to what had hap-

pened at Edmonton.

He said he was just

wondering if there would be such a

time raised in a meeting of the

Party to do the same thing.

Mr. Sharp, being appealed to for

an opinion, said he could not

give assurance that the rather

unfortunate incident would not occur

but he thought that those responsible for the pamphlet had no evil intentions.

Social Creditors Enjoy Banquet At Palace Cafe

W. Sharp, M.L.A., Deals With Causes Of Social Credit—H. H. McNaughton Proposes Toast To Premier Aberhart—B. C. Holt, R. S. Young, President 'Cap' Roberts, And A. R. Murphy Also Address The Gathering.

Climaxing the Social Credit annual convention held at Grande Prairie on Friday afternoon, a banquet was given by the organization in the evening at the Palace Cafe. Thirty were in attendance.

Following partaking of the dinner, the speakers addressed the hall. "Cap" Roberts called upon H. H. McNaughton to propose the toast to the Social Credit government at Edmonton.

W. Sharp, M.L.A.,

the speaker himself, began by making the point and think of the immense responsibility resting on the shoulders of the Social Credit party.

Continuing, the M.L.A. then dealt with the Social Credit party which produced the Social Credit Party.

"Why did we demand a change?"

Mr. Sharp, M.L.A., said that the depression was over and the country was on the up-trend. He said that such deplorable conditions existed and out of that dissatisfaction which was born, the Social Credit party was born.

"To move the goods is a big task, so to speak, but the solution to this was to this problem, the government addressed itself and the nation's strength was with the continuing and backing which can be accomplished.

Referring to his own activities, he said he had been to Edmonton and made several trips to Edmonton during the year, speaking to the Central Executive, from them he had the compiled and mimeographed "Each teacher will then get a copy."

The M.L.A. further stated that he was very pleased with the convention and the Social Credit party, and with such men as those who sat around the banquet table.

He said that the Social Credit party will do all that it can to help the Social Credit party, and that the success of Social Credit depended on each doing his and her part. "Without us we will not get very far," he remarked.

Other Speakers

Elbert DeBolt of DeBolt, on being introduced, gave his view of the fact that everything these days is relative on movements, and he would like to receive from some one a Canadian living overseas on the problems of the Social Credit party.

He pointed out that the Right Honorable H. B. Bennett was reported as having said that the Social Credit party would have to work longer and tighten their belts.

He said that the Social Credit party was credited as saying that the wizard was not yet born who could offer a better solution.

Mr. DeBolt then switched to Teek norney. He contended that the money was not to be blamed for the depression, the advancement of the machine. By deduction the technicians were able to do the work in less time.

After quoting figures to indicate how labor-saving machines had and are doing their master, the speaker (Continued on Page Seven)

ALBERT ALLSOP LLOYD RIGBY

Winners of the Junior Grain Judging Competition at the Toronto Royal Winter Fair.

These two Wembley district boys, members of the Grande Prairie Junior Grain Club, won with a score of 1,072 against a possible 1,200 points. Albert is a brother of Jack Allsop, who won the World's Wheat Championship at Chicago in 1934.

Ed. Nichol, of the East End: "I think this is the biggest boost for Social Credit we have had."

Graveling Program

The first resolution discussed was one from DeBolt, as follows:

"The Department of Public Works has this year started on a policy of graveling main highways in the Province."

Whereas, the Grande Prairie constituency is the largest area in the Province, this is the only place where the population, production, etc., is con-

tinuing to increase.

"Whereas there has been no

start made on a graveling pro-

gram in the Grande Prairie

highways, therefore, I move that

the minutes record that the

Government should start a

graveling program in the

Grande Prairie area."

Mr. Sharp, in replying to a protest of the trustees against the set-up of the larger unit scheme:

Edmonton, November 12, 1937.

A letter similar to yours was received a short time ago from the secretary of the Constituency U. F. A. Organization. A copy of my reply is attached hereto.

Very truly yours,

WILLIAM ABERHART,
Minister of Education

EDMONTON, November 8, 1937.

Dear Mr. Hopkins: I have your letter of November 1st in which you point out that there will be difficulty in operating the large division in the Grande Prairie area because of the varying ability of the districts to support their local schools. We appreciate very much the suggestions which you have made and will take them into consideration.

It is necessary to point out that the amount of money available for the large division will be approximately as much as \$22.80 per day in the case of districts with low valuation.

After considering this matter, the practicality of including these poorer districts along with those better able to support the large division is being considered.

It is felt that the present provision is not sufficient to enable these districts to function without a burden on others in the division, a further adjustment will be made in the amount of money available for the large division in the way of special grants such as you suggest. In fact the Department has under consideration, at the present time, a complete revision of the School Grants Act.

Yours faithfully,

(Sgd.) WILLIAM ABERHART.

Mr. Chas. F. Hopkins, Secretary-Treasurer,
U.P.A. Provincial Const. Assocn.,
Wembley, Alberta.

Sexsmith Prepares For The Various Winter Sports

The Sexsmith Athletic Association met at the curling rink on Wednesday, November 22, Mr. John D. McLean, the president, in the chair. The secretaries were also present. The agenda of the last meeting also the financial statement, both of which were accepted.

A discussion then took place regarding the handling of the skating rink. It was decided to have a skating rink, to be used as a ladies' skating rink, with reference to the management and executive to find a suitable caretaker.

Rev. Little was elected manager of the locker room, and something to buy new uniforms, and something to buy new equipment, the amount of \$100 to be staged to raise funds to meet the expense of this outlay.

Mr. W. R. McLean was appointed to look after the younger hockey team.

The question of the taxes on the sports grounds came up and Messrs. Delve and McLean were asked to go to the matter of the title to this property also to interview the proper authorities to see if the Sexsmith Athletic Association could get a protection in this paper in the future.

DISCUSSION WAXED HOT OVER WEIGHT OF TWO CATS

Any one who is an authority on Tom Cats are we not referring to the most intelligent being able to enlighten us as to the veracity of the following. We got this information second hand, so we are not sure of errors in it, but it must put it down to our memory.

One evening last week there was a discussion between Hughe Gillies of Delve and Mr. Tom Donald, as to the weight of two cats, who all know. Hughe claims that he had a tom cat which weighed 16 pounds and had this cat not undergone an operation, presumably for appendicitis, which would account for the two pounds more.

Delve, however, with the information that he knew a cat that weighed 16 pounds. This cat never had appendicitis, in fact, he was so fat that he would have to deduct two pounds more.

However, the argument was settled as far as these two cats were concerned, and Mr. Tom Donald, who said that he once owned a cat that weighed 22 pounds.

The discussion was hot, but when the meeting was suddenly adjourned by a voice which said: "Gentlemen, it is 10 o'clock."

S.C. Convention

(Continued from Page One)

On Monday, November 22, about 140 delegates gathered at Mrs. A. M. Carriere's home for their S.C.T. meeting. The meeting, with Florence at the piano, took place in the open air, with singing, with friends at the piano, too.

Tom Gaetz, Beckstone then took over the devotions. 200 first readers, a speaker, a speaker, and then a story from Vee Wisdom in connection with the passage from the New Testament.

After the singing, the S.C.T. followed by repeating together the Lord's Prayer.

After the singing, the S.C.T. read the minutes of the last meeting, which were adopted as read by Louis and Shirley Harper.

Shirley Harper then called the roll, and the roll was answered by two word "Present".

The roll was followed by the old hymn, when the S.C.T. sang the hymn and the expenses of the canary booth on Saturday.

The girls then went to the recreation room and enjoyed kisses (canary) and ping-pong.

sidered, it was approved on motion of J. E. Brown.

The town secretary was authorized to sign all contracts under the agreement that the net profits from the operation of the rink shall remain in the hands of the association in equal shares.

The fees to be charged for skating and roller skating were set at 50 cents.

The rink will open 60 per cent to teams.

Fees for admission to final leagues must be paid in advance, but not to exceed one dollar.

Week-end carnival to be split 50-50 with各 organizations.

Provision is made in the agreement not to have the rink during hospital week.

The delegates were given assurances that the rink would be provided with an adequate lighting system.

The New Well Proposal

At the request of council Mike Sheridan, whose term for drilling the eight-inch well was up, he was re-appointed and answered many questions.

A water supply is essential to the success of the water and sewer system to be installed next spring, the Mayor said, and therefore he must get all possible information.

In reply to a question, Sheridan gave the opinion that the well should be drilled a block away from the old one.

Mr. Sheridan, who has been instrumental in drilling wells in the Province, said that he would be able to start drilling about the first of March, and that the cost, less the cost of the water, is very reasonable.

The matter was again referred to the water committee, of which Councillor Charlton is chairman, to bring in a report at the next regular meeting.
